Butt Style Splice Case Enclosures

Description

HCS Butt Style Splice Case Enclosures Type VFO-51000 Series accommodate up to 144 fibers, utilizing one or two of the compact universal 12-fiber splice tray cassettes. Designed for ease of installation and excellent cable management, the VFO-51500 Series products are the most economical low count fiber splice cases in the industry. HCS DataLight components are supported by the Century™ Lifetime Warranty and by the DoubleSafe™ QA program as a part of the complete HCS cabling system.

Applications

- Premise environments
- Direct equipment termination
- Low fiber counts such as HFC nodes & FTTC ONU's.
- Building interface and Campus/LAN applications

Qualifications and Approvals

HCS DataLight components are supported by the Century™ Lifetime Warranty and by the DoubleSafe™ QA program as a part of complete HCS cabling system.

Benefits & Features

- ✓ Pole/wall mount bracket included
- ✓ Built-in integral fiber management
- ✓ Unique modular splice tray cassette design
- ✓ Heat-shrink ports
- ✓ Open-able for re-entry
- ✓ Complete installation kit factory provisioned
- ✓ Universal splice holder clip for fusion or mechanical splices
- ✓ IP 68 Rating
- ✓ Exceptional material properties and design - providing a unique Century™ Lifetime Warranty.
- ✓ Detailed installation manual in English and Turkish - providing clear and comprehensive instructions.
- ✓ Robust and installer-friendly design - providing reduced installation and operating costs.
- ✓ Unique DoubleSafe™ Quality Assurance Program - providing lowest rejection rate available.
